

Find a Delta Dental Participating Dentist

Your Delta Dental PPOSM (Point-of-Service) plan allows you to visit any dentist you like. However, there are advantages to choosing a dentist who belongs to one of Delta Dental’s two dentist networks. You can save the most money and receive the highest levels of coverage when you visit a Delta Dental PPO dentist.

If you visit a dentist who does not participate in Delta Dental PPO, you can still save money if that dentist participates in Delta Dental Premier[®].

To find a participating dentist in your area, follow the simple steps below.

» Step 1

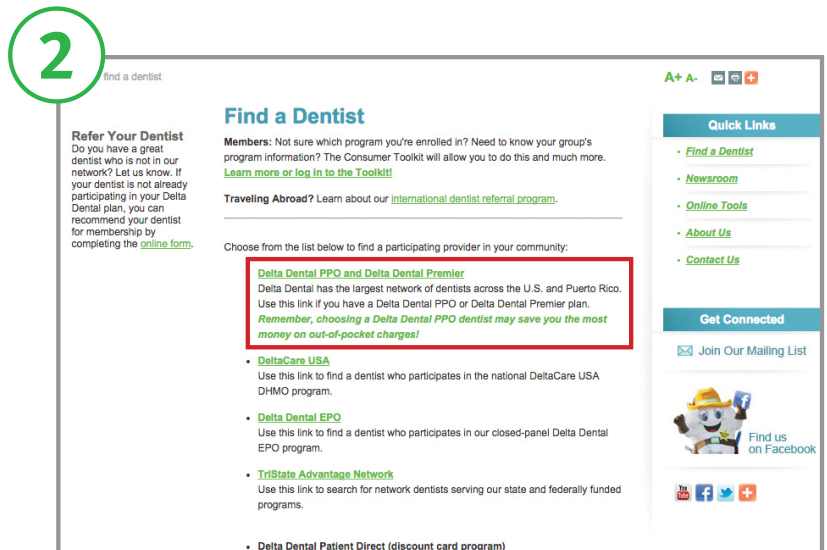

Visit www.deltadentaloh.com. Click one of the links to **Find a Dentist**.

You may also go directly to www.deltadentaloh.com/findadentist

» Step 2

Select **Delta Dental PPO and Delta Dental Premier**.

» Step 3

Select either **Delta Dental PPO** or **Delta Dental Premier** (your plan allows you access to both networks). You can save the most money and maximize your dental benefits by choosing a Delta Dental PPO dentist. Next, enter your address or your ZIP code.

Optional: You can filter your search results by distance, number of results, dental specialty, languages spoken and gender. You can also search for a specific dentist by name.
