Coverage for: Individual + Family | Plan Type: POS

Is a Health Savings Account (HSA) available under this <u>plan</u> option?	Yes	An HSA is an account that may be set up by you or your employer to help you plan for current and future health care costs. You may make contributions to the HSA up to a maximum amount set by the IRS. Any earnings on your contributions grow tax free and any withdrawals you make for eligible medical expenses are also tax free. Contact your employer or call the Customer Service number on your ID Card for more information.
How is the overall <u>deductible</u> or <u>out-of-pocket limit</u> met?	This <u>plan</u> has a separate <u>deductible</u> for individuals and families, but individual <u>out-of-pocket limit</u> payments apply to the family <u>out-of-pocket</u>	Once the family <u>deductible</u> is met, all family members will be considered as having met their <u>deductible</u> , respectively. There is no individual <u>deductible</u> to satisfy within the family <u>deductible</u> . The family <u>out-of-pocket limit</u> is cumulative for all family members. The family <u>out-of-pocket limit</u> can be met by a combination of family members; however no single individual within the family will be subject to more than the individual <u>out-of-pocket limit</u> amount.

How your out-of-network care is reimbursed:

We cover the cost of services based on whether doctors are “in-network” or “out-of-network.” We want to help you understand how much Aetna pays for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care.

You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out-of-network, your Aetna health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital.

When you choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount.

Professional Services: 105% of Medicare

Facility Services: 140% of Medicare

Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your Aetna plan "recognizes." Your doctor may bill you for the dollar amount that your plan doesn't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket limit. To learn more about how we pay out-of-network benefits, visit www.aetna.com. Type "how Aetna pays" in the search box.

You can avoid these extra costs by getting your care from Aetna's network of health care providers. Go to www.aetna.com and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Aetna Navigator® member site.

This applies when you *choose* to get care out-of-network. When you have no choice (for example: emergency room visit after a car accident or for other emergency services), we will pay the bill as if you got care in-network. You pay cost sharing and deductibles for your in-network level of benefits. Contact Aetna if your health care provider asks you to pay more. You are not responsible for any outstanding balance billed by your providers for emergency services beyond your cost sharing and deductibles.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery refers to Aetna Rx Home Delivery, LLC, a licensed pharmacy subsidiary of Aetna Inc., that operates through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacy's cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.
