8. The final registration step will show you how much you can contribute to your HSA for this calendar year. Review this and click **Continue**.

Validating your linked bank account

After you link a bank account to your HSA, we'll send a deposit and matching withdrawal to the account. This is how we make sure that we have linked the correct account. The amount will be less than \$1.00. This process will take up to two business days, not including Saturdays, Sundays or holidays.

Once you see the two transactions in your bank account, log back in to your HSA. Follow these steps to validate your linked account.

- Go to the **Financial Center**.
- Select your **Health Savings Account** from the drop-down menu. Click on **Link My Bank Accounts**.
- Enter the amount of the test deposit and withdrawal. This is the amount we deposited and then withdrew as part of testing your linked account.
- Click **Validate**.

Once you validate your account, you can begin to transfer funds into and out of your HSA.

Account notifications

- From **My Dashboard**, click on **My Settings**.
- Click on the notifications link.
- Enter your e-mail address and choose the notifications you wish to receive. You can also choose when and how you'd like to get them. Then click **Submit**.

Order an additional PayFlex Card® for your spouse and dependents (if offered by your employer)

- On **My Dashboard**, under *Quick Links*, click on **Manage My Debit Card(s)**.
- Click on **Order a Dependent Debit Card**.
- Enter the spouse or dependent name and click **Submit**.
