

AN FSA IS THE REMEDY FOR

YOUR

HEALTH CARE COSTS

GOODBYE EXPENSES

A health FSA is like a booster shot for your bank account – saving you money on eligible expenses like co-pays, prescription drugs, and more.

Use your tax-free FSA funds to pay for your eligible health care expenses, and you'll save about \$30 for every \$100 you put in your an FSA*. Hello savings!

Enroll. Spend. Save.
