Smile. We've got you under our wing.®

The best way to maintain or improve your smile is to brush and floss your teeth daily, visit your dentist, and apply for an Aflac Dental Insurance plan.

Aflac Dental Insurance provides benefits for periodic checkups and cleanings, X-rays, fillings, crowns, and much more. It's your smile and your plan; Aflac Dental Insurance gives you control.

- **You choose your dentist.** Because Aflac doesn't use a network of dentists, you can go to any dentist you choose.
- **You and your dentist choose the best treatment for you.** Aflac Dental Insurance doesn't have precertification requirements. If the treatment is covered by your plan, you don't need Aflac's permission to receive the treatment.*

Aflac Dental is different from many other dental plans you may have seen.

- **You know what you're getting with Aflac Dental.** The plan spells out the benefits for both wellness and other diagnostic/treatment services. There are no gray areas. Each covered procedure has a specific benefit amount.
- **Aflac Dental doesn't have an annual deductible.** Other dental plans may require you to meet an annual deductible before benefits are payable.
- **Aflac Dental pays benefits regardless of any other plan.** Even if you have other dental coverage, you'll receive your full Aflac benefit amount.

With Aflac Dental's **Annual Maximum Building Benefit**, you can receive even more benefits. Aflac will increase each Covered Person's Coverage Year Maximum by \$100 after each 12 consecutive months the plan is in force, up to a maximum of \$500 per Covered Person.

*Subject to applicable Waiting Periods and Exclusions.
