Life Insurance—Valuable protection for your loved ones

You work hard to provide a good life for your family. However, what if something happens to you? LifeTime Benefit Term provides the help you and your family needs to help pay for:

- Mortgage and Rent
- College and Education
- Retirement
- Household Expenses
- Long Term Care
- Childcare
- Family Debt
- Burial

LifeTime Benefit Term provides money to your family at death, and while you are living too, if you need home health care, assisted living or nursing care. For about the same premium, LifeTime Benefit Term provides higher benefits than permanent life insurance and lasts to age 121.

Creative Solutions for Term Life Insurance

Guaranteed Premiums

Life insurance premiums will never increase and are guaranteed to age 100. Thereafter no additional premium is due while the coverage can continue to age 121.

Guaranteed Benefits During Working Years

While the policy is in force, the death benefit is guaranteed 100% when it is needed most—during your working years when your family is relying on your income. The death benefit is 100% guaranteed for the longer of 25 years or age 70.

Guaranteed Benefits After Age 70

Even after age 70, when income is less relied upon, the benefit is guaranteed to never be less than 50% of the original death benefit. And based on current interest rates and mortality assumptions, the full death benefit is designed to last a lifetime.

Paid-up Benefits

After 10 years, paid up benefits begin to accrue. At any point thereafter, if premiums stop, a reduced paid up benefit is guaranteed. Flexibility is perfect for retirement.

Qualified Long Term Care (LTC) Benefit¹

If you need LTC, you can access your death benefit while you are living for home health care, assisted living, adult day care and nursing home care. You get 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC. Insurance premiums are waived while this benefit is being paid.

Contingent Benefit

Your contract contains a guarantee that in the event any future increase to the LTC rider premium might cause you to lapse your coverage within 120 days of an increase, you'll have the option to retain LTC benefits of a reduced amount without any increase in premium.

LifeTime Benefit Term Can Help

As Life Insurance

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

For Long Term Care (LTC)¹

If you become chronically ill², LifeTime Benefit Term will pay you 4% of your death benefit each month you receive Long Term Care. You can use this money any way you choose, and your life insurance premiums will be waived.

- Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term Care. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero.

Restoration of Your Death Benefit

Ordinarily, accelerating your life coverage for Long Term Care benefits can reduce your death benefit to \$0. While in force, this rider restores your life coverage to not less than 50% of the death benefit on which your LTC benefits were based, up to a maximum of \$50,000. This rider assures there will be a death benefit available for your beneficiary until you reach age 121.

For Terminal Illness³

After your coverage has been in force for two years, you can receive 50% of your death benefit, up to \$100,000, if you are diagnosed as terminally ill.
