

How to Find a Doctor or Hospital in the RGA Network

Online Tools and Resources

Go to www.accessrga.com then click the myRGA Member Login button on the top of the page for access to the full search experience.

- 1 After logging in to the RGA member portal, click the “Find a Doctor or Hospital” tile on the myRGA dashboard.

- 2 Your home address will be the default location. You can also switch to your current location by clicking the arrow, or you can enter a new location.

- 3 Under “Select a category,” you can leave the default of “All Categories,” or you have the option to search for...

- Doctors by name
- Doctors by specialty
- Places by name
- Places by type

- 4 After you select a category, enter a specialty type (for example: primary care, OB/GYN, etc.) or a specific doctor or hospital’s name. You can also leave it blank.

- 5 Refine your search results by using the filters on the left side of the screen.
