We'll all need an attorney at some point in our lives, whether it's when starting a family, buying a house or caring for elderly parents. But it doesn't have to be expensive — or stressful. With MetLaw®, a group legal plan offered through Hyatt Legal Plans, your employees can have access to legal expertise for less than \$1 a day.

Our network of attorneys is here to make your employees' lives easier.

Top attorneys your employees can rely on

When it comes to legal support, choosing the right attorney isn't a snap decision. Your employees want peace of mind. Someone with the experience, the expertise, the professionalism, and the courtesy to help them navigate through life's major milestones. Every attorney that joins our network has to meet these requirements. We take care of the selection, so you can be confident your employees have professional and experienced attorneys on their side, whenever they need them.

How do we get top attorneys to join our network? By providing exceptional service to your employees, attorneys are more likely to get referrals, resulting in more clients for them. And even the most experienced attorneys want to grow their practice. That's how MetLaw has created one of the largest and most experienced attorney networks — with attorneys averaging 25 years of experience.

Tailored service makes life easier

While some legal plans only offer self-service or phone consultations, MetLaw gives employees a choice of options. They can meet an attorney in-person, or contact them over the phone, or online using our attorney e-Panel. And we have a range of self-service tools to give employees a helping hand and a little guidance.

For some legal matters, our attorneys can even appear on your employee's behalf in court, so they don't have to take time away from work or their families to attend a court hearing.

Services for everyone

Navigating life's milestones is easier with MetLaw. MetLaw provides legal assistance for a wide range of personal legal matters, and that's with:

- unlimited use of legal services covered by your plan
- no waiting periods, deductibles, or copays to worry about
- and no claim forms — all billing is between the network attorney and MetLaw.

If one of your employees needs an attorney who doesn't participate in our network, that's okay, too. They can be reimbursed for some of the costs.¹
