Funeral planning services

Offered through Aetna Life insurance

We are pleased to provide a unique, value-added service for our life insurance members — funeral planning and concierge services from Everest.

Who is Everest?

Everest gives you the information you need to make the best choices about funeral issues. They offer both **pre-planning** and **at-need** services at or near the time of need. Their online planning tools help you prepare for the future. At-need services include family support and pricing information. And Everest advisors are available by phone 24/7.

You're never locked into a decision because Everest's funeral advisory services can be used at any funeral home across North America. Everest works for you, not a funeral home. Everest does not sell funeral goods or services, nor do they receive money in return from funeral homes or other funeral service providers.

Everest advisors talk with the funeral home about your personal plan and costs, so that you and your family can help feel assured that you made the best choices during a stressful time.
