

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-738-3924. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>\$1,500 person/\$3,000 family for Preferred & Participating Networks. \$9,000 person/\$18,000 family for Out-of-Network.</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. ABA therapy, breast pumps, cologuard medical, cologuard preventive, flu shots, immunizations, transplant expenses (travel, meals, lodging) and urgent care facility for all Networks. For Preferred & Participating Networks chemical dependency outpatient, colonoscopy medical, colonoscopy preventive, mental nervous outpatient, preventive care & services, prostate exam, sigmoidoscopy medical, sigmoidoscopy preventive. For Preferred Network convenience care, donor benefit center of excellence, outpatient office visits and transplant center of excellence.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No. There are no other specific deductibles.</p>	<p>You don't have to meet deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>\$6,000 person/\$12,000 family for Preferred and Participating Networks for Medical. \$22,500 person/\$45,000 family for Out-of-Network for Medical. Includes pharmacy expenses.</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Penalties, ineligible charges, premiums, balance-billed charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.accessrga.com or call 1-866-738-3924 for a list of network providers.</p>	<p>You pay the least if you use a provider in the Preferred Network. You pay more if you use a provider in the Participating Network. You will pay the most if you use an out-of-network provider, and you might</p>

		receive a bill from a provider for the difference between the <u>provider's</u> charge and what your plan pays (balance billing). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
