

# Trustmark **Accident Insurance**

Coverage for when life takes a tumble.

# Helping you prepare for the unexpected

**Accidents happen.** And medical insurance deductibles are going up, which can make sudden expenses like the medical costs associated with an accidental injury harder for your family to deal with.

Trustmark Accident insurance pays cash directly to you for treatment for covered accidents. The plan pays regardless of other coverage you have, and there are no restrictions on how you may use the money.

With Accident insurance, you can worry less about your bills, and focus on recovering.

# **Accident sample rates**

The chart below lists sample weekly rates across all Trustmark plans nationwide, which vary by benefit amounts payable.
