

**LIMITATIONS AND EXCLUSIONS UNDER THE
ARKANSAS LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association (“Guaranty Association”). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association (“Guaranty Association”) may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act (“Act”). Below is a brief summary of the Act’s coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone’s rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;

- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC")(whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$300,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

2. the individual policy will be issued without Evidence of Insurability. It will contain Life Insurance benefits only. The policy will be one then being offered by Liberty. The premium due will be based on the premium schedule of Liberty's conversion policy that applies to the Covered Employee's class of risk and age at the birthday nearest to the effective date of the individual policy.

The individual policy will be effective 31 days after the Covered Employee's group coverage ends.

Conversion Privilege at Class or Policy Termination:

If coverage ends for all employees or for a Covered Employee's class, the Covered Employee is entitled to a limited conversion privilege. Accelerated Death Benefit

Note: The receipt of an Accelerated Death Benefit may be taxable. A Covered Employee should consult his tax consultant or legal advisor before applying for an Accelerated Death Benefit.

If, while insured under this policy, a Covered Employee or Covered Dependent spouse gives Liberty satisfactory Proof of having a Terminal Condition, the Covered Employee or Covered Dependent spouse may receive a portion of his Life Insurance as an Accelerated Death Benefit. Such insurance will be paid one time to the Covered Employee or Covered Dependent spouse in one lump sum.

The amount of Accelerated Death Benefit payable under this policy is limited to the lesser of the following:

1. the Accelerated Death Benefit amount requested by the Covered Employee;
2. 80.00% of the Covered Employee's Life Insurance that is in force on the date the Covered Employee applies for an Accelerated Death Benefit; or

The amount of Accelerated Death Benefit payable to the Covered Dependent spouse under this policy is limited to the lesser of the following:

2. 80.00% of the Covered Dependent spouse's Life Insurance that is in force on the date the Covered Dependent spouse applies for an Accelerated Death Benefit; or

If the amount of a Covered Employee's or Covered Dependent spouse's Life Insurance under this policy is scheduled to reduce within 12 months following the date the Covered Employee or Covered Dependent spouse applies for the Accelerated Death Benefit, the benefit payable under this policy will be based on the reduced amount.

Application for an Accelerated Death Benefit

A Covered Employee or Covered Dependent spouse must apply for an Accelerated Death Benefit. To apply, the Covered Employee or Covered Dependent spouse must give Liberty:

1. certification, from a Physician, that he has a Terminal Condition, as defined by this policy;

3. a completed claims form.

SECTION 4 - INSURANCE BENEFITS

(Continued)

EMPLOYEE LIFE INSURANCE COVERAGE (Continued)

Accelerated Death Benefit (Continued)

Application for an Accelerated Death Benefit (Continued)

During the pendency of a claim, Liberty may, at its own expense, have a Physician examine the Covered Employee or Covered Dependent spouse.

If the Covered Employee or Covered Dependent spouse has assigned all or a portion of the Life Insurance under this policy or named an irrevocable beneficiary, the Covered Employee or Covered Dependent spouse must also give Liberty a signed written consent form from the assignee or irrevocable beneficiary.

The Accelerated Death Benefit will be payable upon receipt of satisfactory Proof of a Terminal Condition; and signed written consent from an assignee or irrevocable beneficiary, if required.

With respect to this provision "**Terminal Condition**" means a condition:

1. which is expected to result in the Covered Employee's or Covered Dependent spouse's death within 12 months; and

Effect on Insurance

The amount of a Covered Employee's or Covered Dependent spouse's Life Insurance will be reduced by the amount paid as an Accelerated Death Benefit. Premiums, if any, for the remaining portion of a Covered Employee's or Covered Dependent spouse's Life Insurance will be based on the amount of the remaining Life Insurance in effect after payment of the Accelerated Death Benefit. All other terms and provisions of this policy will apply to the remaining portion. A Covered Person is responsible for the expense of securing supporting information to satisfy Evidence of Insurability.

The policy available will be one then being offered by Liberty as portable group term life insurance. The premium due will be based on Liberty's then current rate for such policies that apply to the Covered Employee's class of risk and age at birthday nearest to the effective date of portable group term life insurance.

The amount of portable group term life insurance may be decreased at any time. Once elected, the amount of portable group term life insurance may be increased annually, subject to Evidence of Insurability and Policy maximums.

The claimant should state why he believes the claim was improperly denied. Any data, questions or comments that the claimant thinks are appropriate should be included. Unless Liberty requests additional material in a timely fashion, the claimant will be advised of Liberty's decision within 60 days after his or her letter is received.

The coverage under this policy is not assignable by the Sponsor without Liberty's written consent. A Covered Employee may assign all of his present and future right, title, interest, and incidents of ownership of:

1. any Life Insurance;

Beneficiary

Each Covered Employee must name a beneficiary to whom the insurance benefits under this policy are payable. If more than one beneficiary is named and if their interests are not specified, any surviving Beneficiaries will share equally. For any Dependent Life Insurance, the Covered Employee is automatically designated as the beneficiary.

If, at the death of a Covered Employee, there is no named or surviving beneficiary, Liberty will pay the benefits to the executor or administrator of the Covered Employee's estate. Liberty may, at its option, pay the benefits to a surviving relative in the following order: spouse, child, parent, sibling. Such payment will release Liberty of all further liability to the extent of payment.

A Covered Employee may change his beneficiary at any time by written request. Liberty or the Sponsor will provide a form for that purpose. Any change of beneficiary will take effect when the Sponsor receives the written request whether or not the Covered Employee is alive at that time. Such change will relate back to the date of the request. Any change of beneficiary will not apply to any payment made before the request was received by the Sponsor.

Incontestability

This policy will not be contested, except for nonpayment of premium, after it has been in force for two years from the date of issue. The coverage of any Covered Person shall not be contested, except for nonpayment of premium, on the basis of a statement made relating to insurability of the Covered Person after such coverage has been in force for two years during the Covered Person's lifetime.

In the absence of fraud, any statements in any application will be deemed representations and not warranties. No representation made by:

1. the Sponsor in applying for this policy will make it void unless the representation is contained in the Sponsor's signed Application; or
2. any Covered Person in enrolling for insurance under this policy will be used to reduce or deny a claim unless the representation is contained in an application signed by him and such application is given to him or his beneficiary.

Interpretation of the Policy

Liberty shall possess the authority, in its sole discretion, to construe the terms of this policy and to determine benefit eligibility hereunder. Liberty's decisions regarding construction of the terms of this policy and benefit eligibility shall be conclusive and binding.

A refund of premium will not be made for a period more than 12 months before the date Liberty is advised of the error.

Notice and Proof of Claim

1. Notice

- a. Notice of claim must be given to Liberty within 30 days of the date of the loss on which the claim is based. If that is not possible, Liberty must be notified as soon as it is reasonably possible to do so. Such notice of claim must be received in a form or format satisfactory to Liberty.
- b. When written notice of claim is applicable and has been received by Liberty, the Covered Person will be sent claim forms. If the forms are not received within 15 days after written notice of claim is sent, the Covered Person can send to Liberty written Proof of claim without waiting for the forms.

2. Proof

- a. Satisfactory Proof of loss must be given to Liberty no later than 30 days after the date of loss.
- b. Failure to furnish such Proof within such time shall not invalidate or reduce any claim if it was not reasonably possible to furnish such Proof within such time. Such Proof must be furnished as soon as reasonably possible, and in no event, except in the absence of legal capacity of the claimant, later than one year from the time Proof is otherwise required.

Liberty reserves the right to determine if the Covered Person's Proof of loss is satisfactory.

Optional Methods of Settlement

Benefits are usually payable in one sum. However, the Covered Person may elect in writing to have the proceeds paid through an installment program offered by Liberty. If the Covered Person makes no such election, his beneficiary may do so at the Covered Person's death.

Any installments remaining after the death of the payee will be paid as directed in the election of this option. Such direction is subject to the approval of Liberty.

Liberty Security Account

If the benefits to be paid total more than \$10,000, a beneficiary may elect to have the proceeds deposited into a Liberty Security Account. The Liberty Security Account is an interest-bearing checking account, that is fully guaranteed by Liberty, and the beneficiary may draw on the entire sum of the proceeds at any time. If the Liberty Security Account is not elected, benefits may be paid in one sum.

All benefits are payable when Liberty receives written satisfactory Proof of loss. Benefits for loss of life of the Covered Employee are paid to the beneficiary. Benefits for loss of life of the Covered Dependent are paid to the Covered Employee. Benefits for other losses are paid to the Covered Employee.

Premium Rates

Liberty has set the premiums that apply to the coverage(s) provided under this policy. Those premiums are shown in a notice given to the Sponsor with or prior to delivery of this policy.

A change in the initial premium rate(s) will not take effect within the first 3 years except that Liberty may change premium rates at any time for reasons which affect the risk assumed, including those reasons shown below:

1. a change occurs in the policy design;
2. a division, subsidiary or Associated Company is added to or deleted from this policy;
3. when the number of Covered Persons changes by 15.00% or more from the number insured on this policy's effective date; or
4. a change in existing law which affects this policy.

Liberty may, upon notice to the Sponsor, set new premium rates to become effective on or at any time after the first anniversary date of this policy. However, no premium may be changed unless Liberty notifies the Sponsor at least 31 days in advance. Premium changes may take effect on an earlier date when both Liberty and the Sponsor agree.

Payment of Premiums

1. All premiums due under this policy, including adjustments, if any, are payable by the Sponsor on or before their due dates at Liberty's Administrative Office, or to Liberty's agent. The due dates are specified on the first page of this policy.
2. All payments made to or by Liberty shall be in United States dollars.
3. If premiums are payable on a monthly basis, premiums for additional or increased insurance becoming effective during a policy month will be charged from the next premium due date.
4. The premium charge for insurance terminated during a policy month will cease at the end of the policy month in which such insurance terminates. This manner of charging premium is for accounting purposes only. It will not extend insurance coverage beyond a date it would have otherwise terminated as shown in the "Termination of a Covered Person's Insurance" provision of this policy.
5. If premiums are payable on other than a monthly basis, premiums for additional, increased, reduced or terminated insurance will cause a prorated adjustment on the next premium due date.
6. Except for fraud and premium adjustments, refunds of premiums or charges will be made only for:
 - a. the current policy year; and
 - b. the immediately preceding policy year.

SECTION 8 - PREMIUMS

Grace Period

A grace period of 45 days will be allowed for the payment of premium after a premium due date other than the first. No interest will be charged. During this period this policy will continue in force. But, if the Sponsor gives Liberty written notice to terminate the policy on an earlier date, then this policy will end on such earlier date. The Sponsor must pay the pro rata premium for the time the policy was in force during the grace period.
