### IMPORTANT NOTICE

#### REGARDING MISSED APPOINTMENTS AT WELLNESS CENTER

Effective immediately, we are implementing a new policy that is designed to reduce the number of “No Shows” at the Wellness Center. “No Show” appointments prevent others from being served and add to the cost of our health care. Therefore, after an employee or dependent has missed three appointments in a calendar year without cancelling, that member or dependent will be charged a \$25.00 fee, deducted through payroll. The member will then be charged an additional \$25.00 fee for any future missed appointments, without prior cancellation, for the remainder of that calendar year.
